

## GET ON BOARD WITH TAXIS

19 April 2018

**Steve Savas, the new President of Taxi Council SA, tells**

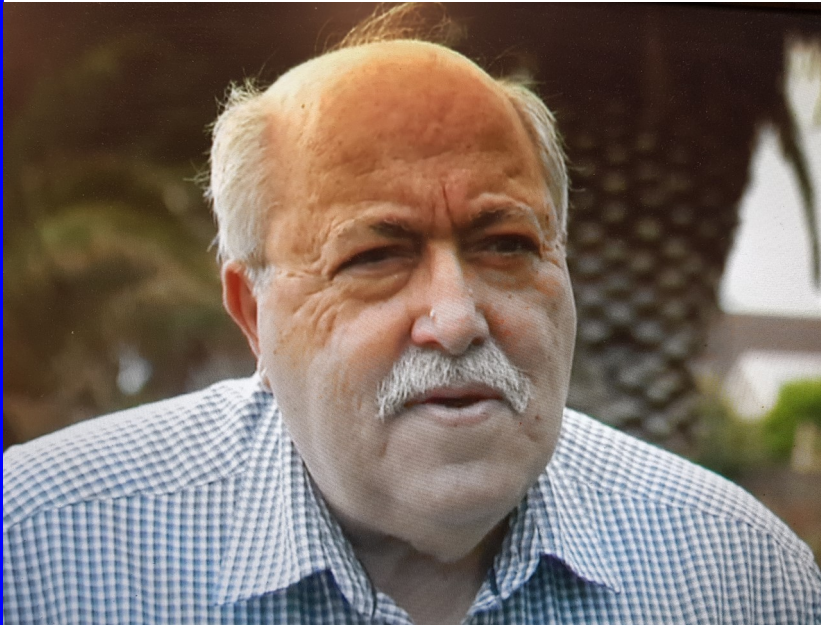

**9NEWS** taxi drivers are ordinary people doing their job and they don't need to be **"abused or attacked"**.

**A terrifying incident occurred last Friday night at the Semaphore Palais as an enraged woman repeatedly attacked a**

**taxi parked at the Palais Hotel rank. It is alleged she had been refused passage as she had no money and then went on a violent rampage which was filmed by a by-stander.**

**Shortly after she was arrested by Police and charged with disorderly behaviour, property damage and aggravated as-**

**sault. TCSA will be making an application to Government for Managed Rank services at Semaphore Palais for the safety of customers and drivers.**

# “fake uber drivers” trend seems to be growing in leaps and bounds in the US. Will Aussie go the same way ?
